

TRION 27 P1 / design by Thomas Darø+

DARØ

Trion has been designed based on core values from the original design which dates back to the early 80's. Trion is a contemporary lamp which can create design value in interior design both on the contract market and in private homes. Trion represents elegance, design and detail at its finest. The shade is made of aluminium and combined with the textile cable and the ceramic socket it ensures a long lifespan.
